

Fraunhofer PAMB

Embedded into MedTech Network in SW Germany

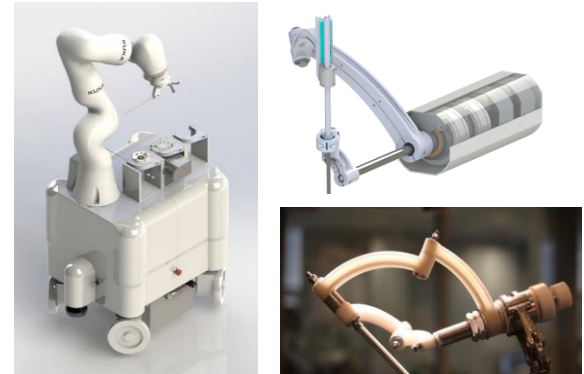

Project Group for
Automation in Medicine and Biotechnology
PAMB, Mannheim

Expertise and Infrastructure

- Interventional Platforms for
 - Multi-Purpose-Hybrid Robotic Systems
 - Inline-Data Acquisition
 - Networked Medical Systems
 - Process Management
- Assistant Systems: Robots, Smart Devices, Automation Solutions, ...
- Lab-Automation Modules close to OR
- Experimental Hybrid OR for Clinical Tests

**Versatile and Efficient Clinical Pathways
Through Digitization and Automation**

Robotic Assistants

Experimental Operation Room
